

Alaska's Non-Profit Sector – Generating Economic Impact

The Foraker Group released a study which found that Alaska's nonprofit sector is a major driver in the state's economy. Foraker's research shows that the sector directly employs more than 44,000 people with a payroll of \$2.68 billion and generates close to \$7 billion in revenue. In 2015, nonprofits accounted for 17% of all employment in Alaska compared to 10% nationwide. [Read the full report here.](#)
