

Costs of Alaska's Economic Roller Coaster

Sunday, January 27th, 4 – 6 pm

717 W 3rd Ave, Anchorage

We've been

here before. Petroleum revenues have

benefitted Alaska greatly, but these revenues are highly volatile and largely

at the whim of global forces beyond state control. Alaska

Common Ground recognizes that to achieve a strong and stable economy our state

will need an ongoing income stream large enough to pay for essential state

governmental services. This event will examine the costs of a start-and-stop

economy and the benefits of a stable source of state income.

Senator

Lisa Murkowski invited to open the discussion: Serving

Alaskans by Working Across the Aisle
