

Buildings & Energy: Climate Action Plan Sector Series

Alaska Common Ground is continuing our conversation about Anchorage's Climate Action Plan (CAP) with a series exploring the sectors found in the CAP and going into more depth on how to engage our community in working together towards the goals found in the CAP.

Topics at this first event included an update on Anchorage's green energy work, an Anchorage Green Bank, Commercial Property Assessed Clean Energy (CPACE), solar for homes and businesses, and energy saving ideas for home and business owners.

Panelists and Moderator:

- Moderated by Shaina Kilcoyne, Energy and Sustainability Manager, Solid Waste Services, Municipality of Anchorage. Presentation Slides.
- Mike Spencer, Energy Program Manager, Research & Rural Development, Alaska Housing Finance – Presentation Slides
- Stephen Trimble, Founder and CEO, Arctic Solar Ventures – Presentation Slides
- Chris Rose, Founder and Executive Director, REAP – Presentation Slides
